3. Eligibility and Entry Conditions

Participation in the competition is voluntary and free of charge. The competition is open to any adult individual holding a valid accreditation for WordCamp Europe 2026. Each participant may submit only one entry; where more than one entry is submitted by the same person, only the first entry received will be considered. Employees and contractors of Octolize and persons directly involved in the organisation of the competition are not eligible to enter.

4. Competition Mechanics and Prizes

To enter, participants must complete the entry form by providing their contact details (first name, email address) and a written response to the competition question. All entries will be assessed by the Jury, consisting of representatives of Octolize, solely on the basis of the most surprising and original answer submitted. The Jury's decision is final and no correspondence will be entered into. This competition is not a lottery or game of chance — winners are selected solely on merit by the Jury, without any random element. Three prizes are available:

- 1st place prize: Lego set 31130
- 2nd place prize: Lego set 60445
- 3rd place prize: Handmade octopus mug

Prizes are non-transferable and cannot be exchanged for cash or any other prize.

5. Prize Collection

Results will be announced at 12:40 on 6 June 2026 at the Octolize stand; winners will be notified simultaneously by email at the address provided in the entry form. Prizes may be collected in person at the Octolize Ltd stand until 17:30 on 6 June 2026. Where a prize is not collected within this period, the winner has 7 (seven) calendar days from the announcement of results to confirm their postal address by replying to the prize notification email. Failure to confirm within this period will result in forfeiture of the prize, which will then be awarded to the next person on the reserve list as determined by the Jury.
